

# Personalized by you. Sewn with EMERALD™.

The HUSQVARNA VIKING® EMERALD™s are a family of machines ideal for all types of sewing; from a beautiful, one-of-a-kind dress to curtains that duplicate those seen in a magazine.

The EMERALD™s; model 118 and 116, have many practical features you will love; i.e. the built-in needle threader, a handy Sewing Guide Reference Chart, a hard cover for storage and an effortless one-step buttonhole.

Better yet, the HUSQVARNA VIKING® EMERALD™s are electronic machines that give you full piercing power when you sew. EMERALD™ EMERALD™ 118 let you adjust your sewing speed. Plus, you decide if the needle stops in the up or down position when you stop sewing.

There is an EMERALD™ that matches your sewing needs and will bring you years of fun and easy sewing!

## SWEDISH DESIGN

The EMERALD™s are sturdy, reliable sewing machines designed in Sweden. The EMERALD™s are precious gems and are beautiful too.

## PERFECT STITCHES AND BUTTONHOLES

When the urge to sew strikes, you want your sewing to be easy with beautiful results. That's why the EMERALD™s have a useful Sewing Guide Reference Chart with each machine. The Chart recommends the right presser foot, stitch length and width, thread tension and presser foot pressure for different fabrics and techniques.

EMERALD™ 118 has 70 Stitch Functions and 116 has 60 Stitch Functions. Each EMERALD™ offers utility, decorative and stretch stitches as well as a one step buttonhole. The stitch length and width can be adjusted.

## A MULTITUDE OF ACCESSORIES

The EMERALD™s come with an accessory box, conveniently placed on the free arm, including three bobbins, a screwdriver, a seam ripper, a set of needles, a quilting guide and more. EMERALD™ 118 and 116 have eight snap on/off presser feet.

There is also a wide variety of optional HUSQVARNA VIKING® accessories available so your EMERALD™ can grow with your sewing skills and aspirations!
